Case No. CV 09 4045 JSW

**STIPULATION AND ~~PROPOSED~~  
ORDER TO CONTINUE HEARING ON  
MOTION FOR FINAL APPROVAL OF  
CLASS ACTION SETTLEMENT**

Judge: H. Jeffrey S. White

Plaintiff Eka Ninua ("Plaintiff") and Defendant Regis Corporation ("Defendant")  
(collectively the "parties") hereby stipulate and seek an order of the Court to continue the  
hearing on the Motion for Final Approval of Settlement, as follows:

- 1           1.     The final approval hearing in this matter is currently set for August  
2                     12, 2011. The Final Approval hearing date was changed, by  
3                     stipulation, due to the need to send out a corrective notice. The  
4                     parties stipulated to move the Final Approval date from July 6,  
5                     2011 to August 8, 2011.
- 6           2.     The Court approved the stipulation and entered an order extending  
7                     the Final Approval date to August 12, 2011.
- 8           3.     Counsel for Defendant Regis Corporation calendared the date  
9                     ordered by the Court for the Final Approval hearing, but failed to  
10                    notice that it is a date upon which she will be out of the country on  
11                    a long-planned vacation, and thus unavailable to attend the Final  
12                    Approval hearing on that date.
- 13          4.     Upon discovering this oversight, Counsel for Defendant contacted  
14                    Counsel for Plaintiff, apprised her of the situation, and sought a  
15                    stipulation to again extend the date.
- 16          5.     As no class members have objected to the settlement or requested  
17                    to be heard at the Final Approval hearing, no class members may  
18                    be heard at the final hearing, thus the change in date will not result  
19                    in prejudice to anyone.
- 20          6.     Based on the foregoing, the parties seek an extension of the date  
21                    for the Final Approval hearing from August 12, 2011 to August 19,  
22                    2011, or August 26, 2011.

23           WHEREFORE, it is hereby stipulated by and between the parties that the hearing on the  
24   Motion for Final Approval of Class Action Settlement in this matter be continued from August  
25   12, 2011 to August 19, 2011 or August 26, 2011

26           IT IS SO STIPULATED.
